## Our Process

*The Lanza Family brand is about taking our wines to the next level. Using a combination of time-honored traditions, handed down through three generations, with cutting edge vineyard practices, we have crafted this excellent wine. What makes this wine different? The luxury of choice!! We choose the very best grapes from multiple vineyard sources, and the selected vines are closely watched and meticulously managed. We make numerous thinning passes to adjust and manage crop size, and when shoot thinning, we only leave one cane per spur. Finally, extended barrel time and bottle aging allow them to develop into the wine you're enjoying today.*

## Tasting Notes

*This Cabernet is an aromatic wine with ripe black and red cherry, blackcurrant and berry fruit. The palate is full-bodied, with juicy blackberry and red fruit, hints of black pepper, clove, and vanilla bean. The finish is moderately long with lingering cherry and berry notes and oak spice nicely supported by fine, balanced tannins. Enjoy with big, meaty dishes and rich sauces.*

## Vineyard Source

*Koch, LMP, Thor, and Fran Scarlett vineyards.*

*It is a significant advantage to have the luxury of sourcing grapes from so many vineyards. Each location brought something to the table when creating this wine. Koch and Thor's grapes offer structure and tannins while LMP and Fran Scarlett grapes help to soften the tannin and enhance the fruitiness in the wine.*
