## Our Process

*The Lanza Family brand is about taking wine to the next level. Using a combination of time-honored traditions handed down through three generations, we have crafted a lovely wine.*

*Suisun Valley offers the ideal climate and soil combination needed for growing outstanding Petite Sirah.*

*At Lanza Vineyards, we are fortunate to have the luxury of choice. We choose the very best grapes from multiple vineyard sources for each vintage of Lanza Family wine. Our Vineyard Managers, Larry and Ken Lanza keep a very close eye on the vineyards all year long. Early in the growing season, they choose the best grape blocks and designate them for the Lanza Family program. Once the decision is made, the selected vines are closely watched and meticulously managed. We make multiple thinning passes to adjust and manage crop size. When shoot thinning, we only leave one cane per spur when typically we would leave two. Finally, these wines spend an extended period barrel and bottle aging to allow them to develop into the wine you're enjoying today.*

*Award Winner - Best of Class at the 2021 San Francisco Chronicle Wine*

## Tasting Notes

*When you look at the deep purple color of our Lanza 2018 Petite Sirah, you know something special is coming. This jammy wine features raspberry and blueberry aromas and rich flavors of orange peel, black plum, and cocoa. This Petite Sirah offers bold flavors while also gently lifting the palate with clean acidity and well-integrated oak. Suisun Valley is notable for the quality of Petite Sirah grapes that grow in this region, and this is no exception.*
