Our Process

The Lanza Family brand is about taking our wines to the next level. We have crafted this excellent wine using a combination of time-honored traditions handed down through three generations with cutting-edge vineyard practices. What makes this wine different? The luxury of choice!! We choose the best grapes from multiple vineyard sources, and the selected vines are closely watched and meticulously managed. We make numerous thinning passes to adjust and manage crop size, and when shoot thinning, we only leave one cane per spur. Finally, extended barrel time and bottle aging allow them to develop into the wine you enjoy today.

Tasting Notes

This is a beautiful, full-bodied wine from our best estate vineyards. The dark burgundy color matches the dark flavors bursting with red jam, raisins, and a hint of smoke. With the soft tannic finish, you can pair this with a wide variety of foods.

Vineyard Source

Koch Ranch, Home Ranch and LMP Vineyards
It is a significant advantage to have the luxury of sourcing grapes from so many vineyards. Each location brings something to the table when creating this wine. Koch Cabernet grapes offer structure and tannins while our Home Ranch grapes help to soften the tannin and enhance the fruitiness in the wine.
