Lanza Italian Collection

Our Process

To honor our Italian heritage, we planted Barbera in 2012. Known for its adaptability to a wide range of vineyard soils, Barbera thrives in our rich Suisun Valley terroir. Barbera is native to the Piedmont region of Northern Italy, which is where the Lanza family originates. This red Italian wine grape produces good yields and is known for its deep color, full-body, low tannins, and high acid levels. This Italian-style wine should be enjoyed relatively young. Its juicy, rich, full-bodied profile and soft tannins make it incredibly smooth and approachable.

Tasting Notes

Our California Barbera has become a favorite here at Wooden Valley Winery with its deep ruby color, easy mouthfeel, and low tannins.

This fruit bomb has mouth-watering aromas of rich raspberry and overripe plums. A medium-bodied wine full of blackberry, vanilla, and light oak will pair well with a wide range of foods.
