Our Process

We source Riesling from our Scarlett Vineyard South vineyard. The vineyard is in a microclimate that is very similar to Monterey County. Fog cooled mornings, slow to warm during the day, and a 40-degree temperature drop overnight. While residual sugar is high for this wine, the perception of sweetness isn't "too sweet." Due to the acidity level, which masks the sweetness, this wine comes across as a light, pleasantly sweet, white wine.

Tasting Notes

On the nose, you'll get honey and tropical aromas like pineapple and mango. Peach and tangerine flavors highlight this off-dry wine on the palate. Light in body but rich in flavor, this is a mouth-filling Riesling that's ready to drink now. It's fruit-forward, but it's also well balanced with a zesty, crisp profile. Enjoy with spicy Mexican and Asian foods.
