Our Process

To honor our Italian heritage, we planted Barbera in 2012. Known for its adaptability to a wide range of vineyard soils, Barbera thrives in our rich Suisun Valley terroir. Barbera is believed to have originated from the Piedmont region of Northern Italy, which is where the Lanza family comes from. This red Italian wine grape produces good yields and is known for its deep color, full-body, low tannins, and high acid levels. This Italian-style wine should be enjoyed relatively young. Its juicy, rich, full-bodied profile and soft tannins make it incredibly smooth and approachable.

Tasting Notes

Barbera's classic description has notes of red fruits, cherry, dried fruits, and vanilla. Our winemaker has captured the Barbera magic with aromas of ripe red cherries, strawberries, and oak. Upon the first sip, your taste buds will be treated to a burst of tart red dried fruits, mouthwatering acids, and low tannins. This is a captivating red wine, and we know you will love it as much as we do!
