Our Process

Dry Rosé is the third in our Rosetta brand. We now have Rosetta Rosé, Rosetta Sparkling, and most recently, Rosetta Dry Rosé.

The Rosetta brand is a tribute to great-grandmother Rosetta Rubiano Carlevaro. Nonna Setta, as she was known to the boys, was born in a small Italian village in 1890. You can read more of her story on the back label of the Rosetta wines.

Tasting Notes

We are so excited for this 2020 Dry Rosé! Made from Sangiovese and a small amount of Gamay, this wine has a nose bursting with ripe strawberries, red currant, and freshly picked violets. Picture yourself on a porch swing, picnic blanket, or gathering with friends and family, sipping on this crisp and light Rosé. With the right amount of acid and tartness, you can enjoy this with various cuisines such as Italian, Mexican, Greek, and American.

Fun fact: As of 2014, France and America drink the most Rosé, more than 200 million drink 80 million gallons respectively.

Cheers to that!
