## Our Process

*California Chardonnay has so many different styles. Some are rich, oaky, and buttery, while others are crisp, fruity, and bright. This Chardonnay flirts with both techniques, meeting somewhere in the middle. The style of this Chardonnay comes from Lanza Vineyard's pairing of French Dijon clones with the cool Suisun Valley terroir. Vineyards in this region enjoy a long growing season, allowing intense tropical fruit and citrus flavors to develop. This wine is fermented and aged for three to six months with French oak but is not allowed to undergo malolactic fermentation. This process will retain the grape's natural fruitiness and produce a crisp, fruit-forward Chardonnay with hints of oak.*

*This Dijon Clone-96 Chardonnay comes from our Scarlett Ranch South vineyard.*

## Tasting Notes

*The combination of stainless steel and French Oak makes this Chardonnay a fresh and vibrant wine with an indulgent creamy finish, making this a perfectly balanced wine. Opening notes are pineapple and orange blossom with a hint of crème brûlée to finish.*

*Pair this with a creamy, buttery chicken or shellfish.*
