Our Process

Muscat is perfect for anyone with a sweet tooth. It's sweet but not too heavy.

The juice for this wine is cold fermented to preserve the delicate varietal character of the grape. We stop fermentation when the sugar and acid levels are in balance.

Muscat Canelli is the oldest known variety grown in the Piedmont region of Northern Italy, where the Lanza family originates, making it a great addition to our Italian Collection. The grape is commonly used for dessert wines and has a distinctive aromatic profile with hints of peach and orange blossom.

Tasting Notes

Our Muscat Canelli is a favorite for those that are sweet wine enthusiasts! It is a bright, refreshing wine expressing notes of peaches, orange blossoms, and cream aromas while mirroring those same notes in mouth-watering flavors. Enjoy as an aperitif with spicy Asian cuisine or with a classic New York Cheesecake!
