Our Process

We source Riesling from our Scarlett Vineyard South vineyard because the vineyard is in a microclimate similar to Monterey County. Fog-cooled mornings, slow to warm during the day, and a 40-degree temperature drop overnight. While residual sugar is high for this wine, the perception of sweetness isn't "too sweet." Due to the acidity level, which masks the sweetness, this wine comes across as a light, pleasantly sweet, white wine.

Tasting Notes

From our vineyards in Suisun Valley to your glass, this Riesling is an excellent addition to your wine list. Pop the cork, and enjoy the aromas of orange zest, star fruit, and apricot. The sweet flavors of pear and honey will go perfectly with a variety of spicy dishes and, dare we say...cheesecake!
