Release Date	2/18/2023

Dry Riesling

Suisun Valley AVA

Vintage

2022

Brand

Wooden Valley

Our Process

We source Riesling from our Scarlett Vineyard South vineyard. This particular vineyard sits in the southernmost area, in a microclimate similar to Monterey County. Fog-cooled mornings, slow to warm during the day, and a 40-degree temperature drop overnight. This Riesling is allowed to ferment until the Riesling is dry. The wine loses some fruitiness, but the result is a pristine white wine that displays citrus and tropical flavors with crisp acidity. This wine is a go-to white wine that will handle most foods very well.

Tasting Notes

The grapes for this wine were grown in the Northern end of Suisun Valley at our Farmhouse Vineyard. On the nose, this wine has a pronounced aroma of stone fruit, Meyer lemon, and floral notes of honeysuckle. With well-balanced acidity and creaminess on the palate, this delectable Dry Riesling gives flavors of green apple, tart lemon meringue, and nectarine. This wine will pair well with poultry, fish, and spicy foods. We recommend that it be served at its freshest to maintain its fruitiness. However, because of its acidity and higher alcohol percentage, this wine has the potential to age very well.
