**SAUVIGNON  
BLANC**  
SUISUN VALLEY AVA

## OUR PROCESS

We often refer to ourselves as winegrowers rather than grape growers because we firmly believe that the flavor profile of our wines comes straight from the vineyard. This wine is a perfect example. Typically white grapes are picked around 23.8 Brix, but the grapes for this wine are allowed to ripen to 26 Brix to retain the natural grape flavor and fruitiness. We harvest Sauvignon Blanc grapes first thing in the morning, so the grapes are cold when crushed to avoid premature oxidation, keeping the juice clean and fresh tasting. The result is this well-balanced, tart, refreshing Sauvignon Blanc.

## TASTING NOTES

This dry, light-bodied wine is high in acidity with aromatic notes of lemon-lime, crisp green apple, and stone fruit on the nose. You can expect a slight minerality and flavors of clementine, peach, guava, and pink grapefruit on the palate. Our Sauvignon Blanc is aged in stainless steel and bottled early to retain the fresh flavors and fruitiness of the grape. The warm climate in Suisun Valley brings out more citrus and tropical fruit flavors, and is a well-recognized and popular wine due to its clean, crisp taste. Pair this wine with a creamy pesto or barbecued salmon for a refreshing, summery treat.
