SUISUN VALLEY AVA

OUR PROCESS

We often refer to ourselves as winegrowers rather than grape growers because we firmly believe that the flavor profile of our wines comes straight from the vineyard. This wine is a perfect example. Typically white grapes are picked around 23.8 Brix, but the grapes for this wine are allowed to ripen to 26 Brix to retain the natural grape flavor and fruitiness. We harvest Sauvignon Blanc grapes first thing in the morning, so the grapes are cold when crushed to avoid premature oxidation, keeping the juice clean and fresh tasting. The result is this well-balanced, tart, refreshing Sauvignon Blanc.

TASTING NOTES

Sauvignon Blanc is Wooden Valley's most popular white wine. Vibrant aromas of lemon-lime, pineapple, and apricot indicate its freshness, while more subtle notes of Jasmine and peach add a delicate complexity to the bouquet.

This wine offers a burst of flavors with notes of ripe honeydew and stone fruit dominating the palate. Soft minerality and a lingering acidity leave a refreshing sensation on the finish. Its clean, fruit flavors contribute to its crisp and refreshing taste, making this a perfect summer wine. This is an excellent choice for pairing with lighter dishes like salads, seafood, or soft cheese.
