

Wine Club Cuvée

2023
WHITE CUVÉE
SUISUN VALLEY AVA

OUR PROCESS

The grapes for these three varietals were carefully selected from two of our estate vineyards, Home Ranch and L & M. Our clone 1 Sauvignon Blanc, cultivated at our L & M Vineyard on the north side of the valley floor, benefits from meticulous vertical cane pruning to ensure exceptional fruit quality.

Meanwhile, the Chardonnay and Riesling thrive at our Home Ranch Vineyard, basking in abundant sunlight from dawn till dusk at the heart of the valley floor. This extended sun exposure allows the fruit to ripen gradually, resulting in optimal sugar levels and outstanding flavor. Despite the unpredictability of each vintage, our skilled winemakers, Rick and Ryan Lanza, artfully craft each unique blend for your enjoyment.

TASTING NOTES

With Sauvignon Blanc being the primary varietal for our White Cuvée, this blend is vibrant and refreshing, with bright acidity.

Layered notes of citrus, stone fruit, honey, and green apple carry through from beginning to end. Dry Riesling adds a floral undertone of honeysuckle, while the small percentage of Chardonnay gives this wine a rounded mouthfeel.

This is a complex white wine and at the same time very approachable due to its fruit-forward nature.
