## Our Process

*Miscela is a direct result of listening to customer's requests and suggestions. In 2004, after quite a few requests for a sweet red option, we decided to produce a medium-bodied red wine with a sweet smooth finish. This wine is a blend of different grapes each vintage year. Rick chooses the grapes that will fit the profile but makes sure flavor and style are consistent from year to year. This lovely red wine is a perfect choice for someone wanting to enjoy red wine but has not yet acquired the taste for dry red wines.*

## Tasting Notes

*This delightfully unique wine starts with a blast of ripe dark fruit such as black plums and cherries. You get a beautiful explosion of berry flavor followed by subtle notes of cocoa and vanilla. There is a fair amount of acidity that helps to balance out the sweetness. Miscela can be served both chilled and at room temperature, depending on your preferences. It's a great wine to pair with sweet desserts.*
