

## Rosetta ~ Brand Story

---

Rosetta

*We created the Rosetta family of wines in remembrance of our great grandmother, Rosetta Rubiano Carlevaro, or as we lovingly called her "Nonna Setta." Our fondest memories of Nonna Setta revolve around her creations in the kitchen, most often from ingredients coming directly from her garden.*

*Just as our great-grandmother brought us the fresh flavors and scents of her garden, these wines bring you the fresh red fruit and berry flavors of our vineyards.*
