

## MEMBERSHIP & CLUB DETAILS

- Our two club levels are convenient and affordable ways to enjoy our wines. Three times a year, we allocate wonderful wines from our collection. There is no annual fee, and you can discontinue your membership with a 15-day written notice after you have fulfilled your commitment of receiving three consecutive allocations.
- We pride ourselves on our welcoming hospitality and outstanding events. Take full advantage of your membership by providing an updated email address to notify you about current allocations, special events, and limited wine releases.
- Please notify us of any change to your shipping address, billing address, or credit card information at least two (2) weeks before wine allocation.
- Wooden Valley Winery will bill your credit card before the release of each club allocation. Tax and shipping are additional costs and will vary by destination.
- Allocations not claimed within 45 days will be shipped to you. Your account will reflect the shipping charges.
- Due to the limited production of exclusive wine club releases, we do not offer substitutions for Classico Club allocations.
- We ship via UPS Ground services, and an adult signature is required for final delivery. Additional charges may apply for returned, re-shipped, or redirected wines. No P.O. Box allowed.

Join our Wooden Valley family by choosing the club level that best suits your lifestyle. Our two membership levels allow you to customize your experience and bring Wooden Valley Winery and the Lanza family into your home.
